

25.08.2003

Manufacturer's declaration of CE-conformity

on adherence to the interference emission and
interference resistance requirements

Product: rotation laser for vertical
and horizontal levelling

Types: (LMR "STABILA" version)

Operating data: nominal voltage: 3,0 V DC (2 * D batteries)
optical output power: ≤ 1 mW (laser class2)

Applied standards: Interference emission: EN 55011;
Interference resistance: EN 61000-4-2;
EN 61000-4-3;
Safety of laser products: EN 60825-1;

Testing conditions: see above described standards

A handwritten signature in black ink, appearing to read "Daniel Busam". The signature is fluid and cursive.

Signed: Dipl.Ing.(FH) Daniel Busam
