Manufacturer's declaration of CE-conformity

on adherence to the interference emission and
interference resistance requirements

Product: electronic level type STABILA 96, 196 and 80A
Types: in various length and housing versions
Operating data: nominal voltage: 1.5 V DC
Applied standards: test specification: EN 50022 B; 2001
EN 61000-4-2; 2001
EN 61000-4-3; 2003
test demand: EN 61000-6-2; 2002
EN 61000-6-3; 2002

Testing conditions: see above described standards

Signed: Dipl.Ing.(FH) Daniel Busam
